ATTACHMENT: 8 Replacement Drawing Sheets

Remarks

This amendment is being filed to correct drawing and specification inconsistencies identified after the Notice of Allowance was received.

The originally-filed application included 8 drawing sheets, including 6 drawing sheets numbered 1 through 6 (Figure 1 – 6) and two additional drawing sheets labeled as “Table 1” and “Table 2”. The two drawing sheets labeled as “Table 1” and “Table 2” should have been labeled as “Figure 7” and “Figure 8”, respectively, since these sheets were submitted as drawing sheets.

Applicants submit herewith replacement drawing sheets in which the labels “Table 1” and “Table 2” have been modified to “Figure 7” and “Figure 8”, respectively, and in which the numbering of drawing sheets 1 through 6 has been changed to reflect the re-labeling of “Table 1” and “Table 2” as “Figure 7” and “Figure 8”, respectively. Applicants submit that no new matter has been added to the drawings.

Applicants have herein amended the Brief Description of the Drawings section of the specification to include brief descriptions of Figures 7 and 8 that were inadvertently omitted from the application. Furthermore, Applicants have herein amended the Detailed Description section of the specification to change the references to Table 1 and Table 2 to Figure 7 and Figure 8, and to correct typographical errors. Applicants submit that no new matter has been added to the specification.

Conclusion

If the Examiner still believes that there are unresolved issues, the Examiner is invited to call Eamon Wall at (732) 530-9404 so that arrangements may be made to discuss and resolve any such issues.

Respectfully submitted,
